BAD: killer clown
 Inside me I'm scared because it look scary.
 I'm scared of them because when I was little I
 watched horror movies to much.

GOOD: money
 In one way is good on other
 way is bad. Its good, becuse
 we need him for everything and
 without him we can't do anything.

⊕ Bright, sunny read, reminds me of going somewhere nice and
 lonely, like countryside or something. Feels like freedom,
 just having time for yourself. A hill, a small house,
 some mountains, a river... Nature.

⊖ Being locked down in a place, Some people may
 have a feeling of safety, but I feel pain. Being closed
 somewhere like in a prison gives me chills. Also reminds me
 of dogs, locked in cages. I hate that. They deserve freedom
 just as us, humans.

1. picture

1. picture gives me good and happy feelings because
 s picture of bus, Bus its kind of a safe and happy
 space for me. At summer me and my boyfriend
 would go to practice together. It was a lot of fun!

2. picture

2. picture gives me bad feelings because its
 picture of trafic (pomet?), I don't really know why, but
 cars, lights etc. scare me.

pozitivna slika, positive picture
 I chose this pictures as positive because there
 is a sea on it. I love the sea because I love like
 swimming and diving. There is also a beautiful
 sunset in this picturex whic I really like.
 And a family that I usually go to the sea
 with and I love my family so much.

Negativna slika, negative picture
 For the negative picture I chose the picture
 of thunder because I don't like its sound
 because it is ~~pas~~ scary and too loud.

⊕ Prominija me mo macko, ki smo jo resili in
 shovale.

⊖ Uničeno društvo in depresija

⊕ I picked the cat because it makes me remember
 my cat that we saved from Croatia.

⊖ I picked the soldier ~~dog~~ diving on the
 battlefield because it's a reminder of
 corrupt ~~and~~ politicians, destroying their
~~own~~ society and ~~get~~ getting people in
 depression.
